

It's finally happened.

Weaverling Heath gets Village Green Status!

Village Green Status has at long last been awarded to Weaverling Heath by Kent County Council. Councillor Bob Hinder was hugely surprised and extremely happy with the news. He thanked the local residents and Keith Clarke founder of Friends of Weaverling Heath who campaigned tirelessly with Boxley Parish Council for this to happen. Bob stated that it was a shame that his wife Wendy Hinder was not here to share the joy.
